## KNOT NOTES May 2018

### Springing into Summer

The last few months have been a bit of a whirlwind! We saw so many customers and friends while attending [COSUGI 2018](#) and [IUG 2018](#), and we're already planning for the 2019 conferences. Quipu Group also felt the love while attending PLA 2018, with a steady stream of visitors to the booth to learn more about our products and services. But now it's time to buckle down! We have several new customers on the verge of launching [ePASS](#) and [PITS](#), and a few others in the wings - watch for more news in the next Knot Notes!

### New Customers for eCARD!

Welcome to [Santa Clara County Library District](#)! SCCLD went live with [eCARD](#) earlier this month. This is the first Horizon ILS to implement eCARD, making it compatible with both Symphony and Horizon systems.

And we have another announcement for eCARD - [London Public Library](#) is the first to use Sierra's API! As long as your library is on Sierra v3.4+ and Sierra API v5, eCARD can work for you.

Many thanks to our library partners for their continued work to make eCARD the best online registration system available. Interested in eCARD for your library system? [Contact us](#) for details and a quote today!

### How to Library

We came across this wonderful video [How to Library](#), on YouTube created in conjunction with [ALA Libraries Transform](#), and thought it was just the thing to share with you. Maybe we're overstating the obvious, but getting library cards into the hands of your community is just about the most important thing you can do!

## DATES TO REMEMBER

[ALA Annual](#), New Orleans, LA.  
June 22-26, 2018

[COSA-NAGARA-SAA](#), Washington, DC. August 12-18

[Joint Conference of Librarians of Color](#), Albuquerque, NM. September 26-30
